Release 2002-55

WATER RIGHT FIELD AGENT TO VISIT
SODA SPRINGS IN SEPTEMBER, OCTOBER & NOVEMBER

For Immediate Release
Boise, Idaho – Aug. 19, 2002

For Media Information Contact:
Dick Larsen - (208) 327-7933

Idahoans living in the Soda Springs area who need first-hand assistance with general water right issues need to mark September 5th, October 9th and November 7th on their calendar, the Idaho Department of Water Resources advised today.

An IDWR water right agent will be in Soda Springs on those days to provide people with assistance filing water right applications, applications for water right transfers, changes of ownership documents and other related issues.

Well drilling permits will not be included in the services to be offered during the visits.

There is already an IDWR satellite office in Soda Springs. However, it is set up to handle matters dealing with the Snake River Basin Adjudication rather than general water right activities.

The water right agent will be at the IDWR satellite office from 9:30 a.m. to 3 p.m. The field office is located at 15 West Center Street in Soda Springs. For more information or to schedule an appointment please contact Pauline Bassett at the IDWR Soda Springs office, (208) 547-3993.
